Dear Mr. Johansen:

Lighthouse for the Blind has received an *extremely generous* donation from Open Systems Database Association in memory of Mr. Larry Johansen.

The Lighthouse is very grateful for this significant gift. The Lighthouse has completed its reorganization through a merger with Gulfstream Goodwill Industries. Lighthouse's services for blind and visually impaired persons have been reinitiated. This gift will help support the programs as they further develop.

On behalf of the blind and visually impaired persons who will benefit from OSDA's generosity, I extend my deepest sympathy and hope that time has helped you, other family members and friends heal somewhat.

Most cordially,

WILLIAM S. THOMPSON
PRES/CEO
